

Community and Student Engagement Accountability System (CaSE)

University of Texas University Charter School ----- 2016-2017 School Year -----

Texas Education Code 39.0545, originating from House Bill 5 in 2013, requires school districts to evaluate the condition of community and student engagement for the district and each campus, along with assigning a rating of exemplary, recognized, acceptable, or unacceptable. Districts submit performance ratings in 9 areas:

- (1) Fine Arts, (2) Wellness and Physical Education, (3) Community and Parent Involvement,
- (4) 21st Century Workforce Development, (5) Second Language Acquisition, (6) Digital Learning Environment,
- (7) Dropout Prevention, (8) Educational Programs for Gifted and Talented Students, and
- (9) Compliance with Statutory Reporting and Policy Requirements.

Performance Measures

Performance Measures have been set to describe how the district and all campuses engage community and students.

Ratings Criteria

Ratings criteria have been defined to identify rating levels of unacceptable, acceptable, recognized, and exemplary performance.

How are Ratings determined in each of the 9 areas and overall for the district and all campuses?

Ratings Criteria are assigned number values for every Performance Measure assessed.

0 Points for Unacceptable

1 Point for Acceptable

2 Points for Recognized

3 Points for Exemplary

In order to determine Ratings, number values are summed and averaged in each of the 9 areas and ratings are assigned according to the following guide:

**0 to .5 points =
Unacceptable**

**.5 to 1.0 points =
Acceptable**

**1.1 to 1.5 points =
Recognized**

**1.6 to 2 points =
Exemplary**

The district's rating is determined by averaging all campus ratings.

Ratings are submitted to the state in June and posted for the public in August of each year. For more information, please contact the campus principal or Melissa Ruffin, Director of Curriculum and Instruction.

The CaSE overall rating for UT-UCS is Exemplary
