Alternative standards were used to rate this district.

STUDENT ACHIEVEMENT

Student Achievement shows how much students know and are able to do at the end of the school year.

UNDERSTANDING OVERALL PERFORMANCE

This report card is designed to tell us how well we are helping students reach grade level and how well we are preparing them for success after high school. Much like the grades we give students, we can use these grades to identify ways to help schools improve over time. The overall grade is based on performance in three different areas, or domains, which are noted below.

SCHOOL PROGRESS

School Progress shows how students perform over time and how that growth compares to similar schools.

CLOSING THE GAPS
