THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

Strategic Priority #1: Recruit, Support, and Retain Teachers and Principals

Strategic Priority #2: Build a Foundation in Reading and Math

Strategic Priority #3: Connect High School to Career and College

Strategic Priority #4: Improve Low Performing Schools

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Needs Assessment

Problem Statement #1: Low performance in math and reading
Root Cause(s): High mobility, teachers with multiple content
Quantitative Data: STAAR/EOC Scores, Dibels, Edmentum, Graduation Rates, Demographic Attendance Data,
Identified Need(s): Increase opportunity for high quality instruction through improved attendance
Performance Goal (tied to the 4 Strategic Priorities): All students will show academic progress in reading and math every six weeks.
Objective: Increase Academic Achievement in all content areas by showing progress
Possible Strategies: Designated intervention time in Master schedule. Purchase additional intervention programs. Provide additional reading intervention training.
Other: Provide incentives to teachers to get additional certifications.

Problem Statement #2: Graduation Rates need to be higher with fewer drop outs
Root Cause(s): Students enroll behind in their original cohort
Quantitative Data: STAAR/EOC Scores, Dibels, Edmentum, Graduation Rates, Demographic Attendance Data,
Identified Need(s): Increase opportunities to earn and recover credits
Performance Goal (tied to the 4 Strategic Priorities): Secondary students will have multiple opportunities to earn and recover graduation credits.
Objective: Secondary students will graduate with their cohort
Possible Strategies: Provide online credit recovery program. Provide additional elective opportunities through online courseware.
Other: Provide academic counseling through the graduation plan meetings with Academic Transition Coordinators. Collaborate with facility for student incentives

Problem Statement #3: Funds needed to provide exceptional educational opportunities are diminished.
Root Cause(s): Attendance rate is low. State funds do not provide charter schools with facilities funding. University increased fees associated with them.
Quantitative Data: STAAR/EOC Scores, Dibels, Edmentum, Graduation Rates, Demographic Attendance Data,
Identified Need(s): Increase attendance rate. Additional fund raising opportunities
Performance Goal (tied to the 4 Strategic Priorities): Increase attendance rate to 97%.
Objective: Have every student in every class every day. Increase funds available for education
Possible Strategies: Encourage partnerships to have students attend class. Share attendance data with partnerships. Show partners the financial and educational cost of a student being absent.
Other: Request facilities to supplement funds for materials or computers. Request facilities to provide money to recoup funds lost with poor attendance.

Problem Statement #4: Need to retain staff and recruit staff
Root Cause(s): staff turnover due to poor work performance, lack of required certifications
Quantitative Data: STAAR/EOC Scores, Dibels, Edmentum, Graduation Rates, Demographic Attendance Data,
Identified Need(s): Recruit experienced teachers, Add stipend for National Board Certification. District incentive program
Performance Goal (tied to the 4 Strategic Priorities): District will attain 85% staff retention rate.
Objective: To recruit and retain experienced teachers and principals
Possible Strategies: Assign & develop teacher supports and leads
Other: Provide coaching through T-TESS feedback

Write out 3-5 SMART (Specific, Measureable, attainable, results-focused, and time-bound) goals based on the SWOT Analysis:

Strategy 1: 100% of our students will show academic growth every six weeks
Strategy 2: Every student in grades 9- 12 enrolled 90 or more days will earn 3 graduation credits per semester
Strategy 3: Increase attendance rate to 97%
Strategy 4: 100% of our teachers will be identified as proficient in TTESS Instruction Domain 2

Title I, Part A

School-wide Components:

1. A comprehensive needs assessment of the entire district/school (including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school-wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.
5. Strategies to attract high-quality teachers to high-needs schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

Performance Goal 1: All students will build a strong foundation in reading/language arts and mathematics.

Objective(s):

1. Show growth in all core academic area including math, language arts, science, and social studies.
2. Show growth in all demographic population and at-risk categories.
3. Every student evaluated every six weeks
4. Review classroom data with teachers
5. Review student data with classroom teachers and support development of an RTI model.
