The Board encourages all complaints to be resolved at the lowest administrative level possible. In most circumstances, complaints must be filed at the Campus Principal Review level. If the only administrator with the authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Section 2 below, following the procedure including the deadlines for filing a complaint under Section 1.

If the complaint is not filed with the appropriate administrator, the receiving administrator must make a record of the date and time the complaint was received and immediately forward the complaint to the appropriate administrator.

Concerns should be expressed as soon as possible to allow early and efficient resolution.

The complaint must be brought within 15 school days of the date that the complainant knew or should have known of the alleged harm. The complaint must be specific, and where possible suggest a resolution. The principal must hear the complaint, attempt to remedy the complaint in the best interest of the affected parties, and document the outcome. The principal must respond to the complainant and issue a final decision in writing within 10 days of the principal’s receipt of the complaint.

If the individual bringing the complaint is not satisfied with the campus principal’s final decision, then the individual may file a written appeal to the Superintendent of UT-UCS. This written appeal shall be filed with the Superintendent’s office within 10 days of the individual’s receipt of the campus principal’s final decision. The appeal shall include a copy of the written complaint to the campus principal along with a copy of the campus principal’s final decision. A copy of the appeal shall also be delivered to the campus principal.

expressed to the campus principal.

The Superintendent, or the Superintendent's designee, shall respond to the complaint and issue a final decision in writing within 15 days of receipt of the written appeal.

The appeal shall be directed to the Chair of the Board, and shall include a copy of the written appeal to the Superintendent along with a copy of the Superintendent's final decision. A copy of this appeal shall also be delivered to the Superintendent.

The Chair of the Board, at the next regular meeting of the Board, shall provide a copy of the complaint record to all board members. The Board's decision shall be based on a review of the record developed at the Superintendent level, which shall include (1) the record at the Campus Principal level; (2) the written response issued by the Superintendent and any attachments; and (3) all other documents relied upon by the Superintendent in reaching a final decision.

The Chair of the Board shall determine whether the meeting shall be held in open or closed session in accordance with the Texas Open Meetings Act and any other applicable law. Any action of the Board regarding the complaint shall be taken in compliance with the Texas Open Meeting Act.

Model AHERA Yearly Notification Form

[Date]

Dear Students, Parents, Guardians, & Employees:

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires school inspections to identify any asbestos containing building materials. In accordance with AHERA, the UT-UCS Superintendent ensures that each facility where a UT-UCS campus is located has developed and implemented the required asbestos management plan.

The plans have several ongoing requirements: publish a notification on management plan availability and the status of asbestos activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of the asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

The plans and copies of the inspections and assessments are available for review during regular office hours in each UT-UCS principal's campus office. If any interested parties would like to view the plan, contact the principal or the Superintendent, who is designated as the UT-UCS Asbestos Program Manager. Please refer to the management plan for specific details regarding whether or not a facility has asbestos-containing building materials, and if applicable at your school, a program for regular surveillance inspection of asbestos-containing materials. The Superintendent ensures that every three years, an asbestos re-inspection of facilities which have asbestos-containing material will be conducted to comply with the AHERA law.

It is the intention of UT-UCS to comply with all federal and state regulations controlling asbestos in an effort to ensure students and employees a healthy and safe environment in which to learn and work.

SECTION 1. Risk Management Officer

Through The University of Texas at Austin, the CEO will designate a Risk Management Officer (RMO) who is responsible for providing guidance on risk management issues and the interpretation of specific policy requirements. Additionally, the RMO is responsible for:

1. Coordinating the development and maintenance of risk management policies, procedures, standards and forms for UT-UCS;

3. Identifying tasks and implementing such tasks to ensure risk management becomes part of day-to-day management;
4. Ensuring staff are aware of risks and how to manage them; and
5. Monitoring our strategic risk profile and implementing a continuous improvement approach to risk management.

The RMO will forward recommendations to the Superintendent, who will present those recommendations to the Board.

SECTION 2. General Liability Insurance

The University of Texas at Austin provides appropriate liability insurance to protect UT-UCS, its board members, officers, employees and volunteers from the cost of defending litigation brought against them in their official capacity as board members, officers, employees and/or volunteers of UT-UCS for acts or omissions committed by them in the good faith discharge of their official UT-UCS duties.

Such insurance shall include, but not be limited to, insurance protection against claims for property damage, personal injury or death proximately caused by the negligence, wrongful act or omission of UT-UCS’s officers or employees, acting within the scope of their employment or office, and arising from the operation or use of a motor vehicle under circumstances where such officers or employees would be personally liable to the claimant in accordance with the laws of this state.
