

The University of Texas Charter School System
Safety and Security Committee

November 14, 2019
11:00 am – 1:00 pm

Agenda

Purpose: The superintendent or their designee identifies District Safety and Security Committee members, convenes meetings and supports the school safety audit process. The District Committee meets at least twice a year and may be called upon to support emergency operations, facilitate special events and support after action reviews. The Committee will provide input into the campus planning and audit processes.
